### EFC's Response to New COVID Restrictions

May 5, 2021

Hello EFC Church Family,

Due to recent increased COVID restrictions in effect in Alberta, our worship time will have to look a little different in the coming weeks. The new restrictions will affect in-person attendance at church services for at least the following three Sundays: May 9, May 16 and May 23.

We will continue to hold two services on Sundays at 9:30 am and at 11:00 am. However, if you have internet access, we ask that you please stay at home and watch the services online. We are currently limited to 15 people in the church at any given time, so we would like to reserve those spots for those who are not able to attend online.

If you plan to attend church services in person on May 9, May 16 or May 23, we ask that you please notify one of the pastors or any council members so that your name will be added to the sign-up list for the service(s) you plan to attend. Council members will be calling members of the congregation this week to provide more information, and they can help you reserve your spot for upcoming in-person church services.

Furthermore, the constitution information sessions scheduled for May 12 and May 16 have been cancelled. We ask that you approach any of the council members or pastors with questions or concerns you have regarding the changes to the constitution. We are still planning to hold our AGM on May 30, but we will be sure to alert you of any changes.

This is a very difficult time and we understand that it's been painful to be apart. The council is looking for ways to keep connected and to keep caring for each other during the pandemic.
