  - a. Discussion about what capacity the eldership has to lead with less than 6 members.
3. Pastors Reports
  - a. Pastor Josh
    - i. Notes he did not plan anything with church members who read letters at a recent meeting.
    - ii. Read his notes on the division in the church and what needs to be done for healing: **Reach out and Listen to one another.**
    - iii. Noted several churches that he has been talking to about transitioning to. Josh requests that the church honor the 6-month term limit until May 24th.
  - b. Pastor Kelvin
    - i. Suggests talking to the members who have left, caring for them, and identifying who might leave so we can encourage them to stay.
  - c. Pastor Jesse
    - i. Asked if he could post minutes and bulletin to website. Yes for bulletin, no for minutes.
4. What is our plan in regards to the Constitution?
  - a. Discussion earlier than vote discussed.
  - b. Decision: Move the voting date ahead in order to make room for a discussion about the constitution. **Jan 26** is the earliest date we can announce for a discussion meeting. Polls will be taken for information only.
  - c. Final vote on the constitution will tentatively take place in late February.
  - d. Agreement to emphasize that the main goal is to get a functioning governing body, not to tweak the constitution to perfection.
  - e. Jesse will prepare/organize the discussion with the Constitution Committee for January 26.
9. New Business
  - f. Dieter suggests to set up a voting committee to organize the voters and ballot. These folks can visit shut-ins and count the ballot. This committee can also handle votes for the constitution.

5. 10. Date of the next meeting: February 3rd.
6. 11. Adjournment
